Please place them on the kitchen counter at the back of the room so that all can enjoy after the meeting at 8:45.

The Game of Curling – But A Very Special, Different Type

You've probably heard of curling, played on ice with brooms and a "stone." But there's a very different curling game that's played here in the Milwaukee area. In fact, there are at least three curling clubs in the area that play this different game that is popular and loved by those who play it. Originating in Bavaria, it was called "Eisstock". It's played on ice, sometimes inside, sometimes outside. The Wilson Park club plays indoors year-round and every week at the Wilson Park Ice Center. And it welcomes new members and players who would like to give it a try. A couple of Vags have already played it. Instead of the large, heavy "stone" that is pushed and then cleared by

players with brooms, this game is played with an "Eisstock" that is made of wood, with a steel ring on the bottom to let it slide across the ice once the player lets go of its handle. It then is played somewhat like shuffleboard (on ice). Sounds like a lot of fun, and very easy to play. So come and hear Helmut Kopp, leader of the Wilson Park group, tell about this amazing and fun game that is ready to be "discovered" by newbies to the game. You can see what an Eisstock looks like and how to play with it and much more. So don't miss this fun Roundtable. Questions? **Ron Sonntag**, 414-788-4907, or ron@rspr.com. Dinner served from 5 pm, so eat while listening.

PRESIDENT'S CORNER

Ron
Sonntag

A Wonderful and Happy New Year to You!

It's a special privilege and joy for me to wish all of you a Happy and Healthy New Year for 2017. Let's hope that we can all have fun this coming year and not waste time making resolutions that you know you won't follow anyway. Spend your time doing things that will make your life better – much better! Eat healthy, exercise more, have more fun! And make 2017 a year that you don't just wait for good things to come your way. A new motto that I've come up with might be an inspiration for you to consider. **MAKE LIFE HAPPEN!!!** Too often we let good things in our Club and our lives pass by that could have made our lives better. Push yourself to do more. Join in more things. Take one of our trips. Hike, bike, play sports, travel, dance, party, laugh more, and let fun and good things happen to you.

We have 40 events a month in the club and over 500 a year. Sign up and take advantage of a lot more. Do more. **MAKE LIFE HAPPEN!** When you stay home from Vagabond meetings, events, trips, and more that the Club offers that could have brought you fun, joy, and maybe new friends, you passed up chances for your life to be better. You are in control of those choices. So this year, change that! **MAKE LIFE HAPPEN!** You can do it. It's up to you. And if you do, I think you'll find that 2017 will be much more fun and greatly enrich your life. You deserve it. So my wish for you is that you have a wonderful, participation-filled 2017, and you put forth a tremendous effort this year to **MAKE LIFE HAPPEN!!!**

Ron

TENNIS TIP OF THE MONTH

Retrieving and Returning Balls

How hard can it be to politely retrieve and return tennis balls? Have you ever been hit in the back by a ball being returned, or had a ball slammed at you when it was not in play? So, maybe it isn't as easy as it might seem. "Here are a few tips on how to retrieve and return balls:

1. Return balls nicely to everyone – your partner and your opponents. There is no need to bounce the ball at someone when their back is turned. You don't win points for that and neither do you make any friends.
2. Bounce, hit or toss the ball to the server (or their partner) gently, in their general direction. You don't have to place it right in their hand but you also don't have to make people run down balls when it doesn't count toward points.
3. Say something, anything, before you return the ball so the other person, whether it's your partner or your opponent, knows it's coming. Especially if their back is turned."

Play lots of tennis and Have Fun!!!
