Happy Holidays to all Vagabonds! What a wonderful time of the year, and your Club helps keep the holidays joyous with so many great activities. The Sunday hikes continue in December, with an opportunity to be outside with Vagabond friends to enjoy healthy fresh air and exercise. Bowling, too, indoors, of course, but another chance for some exercise knocking the pins down. To get you in the holiday spirit or keep you there, you will find Christmas Caroling with dinner afterwards, a Vagabond tradition. Also, The Chicago Holiday Bus Trip will be loaded with fun, and then there are shows including Branson on the Road – Christmas Style, Christmas with the Alley Cats, and Twas the Month before Christmas – all great holiday offerings. Then to round out 2019 there are two New Year’s Eve parties. One sponsored by the Vagabonds at Serb Hall, and a formal one sponsored by the Shriner’s. So many, many things to do during this holiday season. Check the Vagabond website or this issue of the Life for details. So many, many ways to enjoy the holidays!

Wishing you the happiest of Holidays and a joyous New Year!

How to Recognize and Avoid Altitude Sickness

Altitude sickness is sneaky and can affect anyone, even the fittest among us. You can get altitude sickness at elevations as low as 5,000 feet. The signs of altitude sickness include:

- Headache
- Dizziness
- Nausea and/or vomiting
- Loss of appetite
- Fatigue and/or loss of energy

Here are five tips to help avoid altitude sickness:

1. **Acclimate:** Give your body time to adjust to the new altitude.
2. **Take it easy:** Get plenty of rest.
3. **Hydrate:** Drink as much water as you can, about twice as much as you normally do.
4. **Avoid caffeine and alcohol:** Yikes! Those are my two favorite things. Skip or greatly reduce consumption.
5. **Eat carbs:** Well, if you must skip caffeine and alcohol, have that donut or better yet, choose whole grains, brown rice, cereal, fruit and vegetables.

More severe symptoms include shortness of breath or swelling in your feet, legs and arms. If you develop severe symptoms, see a doctor immediately.

Check out VagabondSkiClub.com for all the latest news, photos, and events.

Vagabond Race Team (2019/20 Season)

For more information, contact Team Captain **Al Lemke** at 414-688-2938 or aklemke2993@gmail.com

The Vagabond Ski Team race season begins on Sat., Dec. 14, with two giant slaloms (four runs total) at Alpine Valley Ski Area. Spectators are invited to watch the team in action. (Full race schedule below.)

Fourteen races are scheduled on seven dates hosted by Metropolitan Milwaukee Ski Council Senior Racing (MMSCSR). There are about 40-45 skiers at each race who compete in one of eight different non-gender classes depending on skill level. Two different courses are run for each race and the times are combined. Awards are presented in each class at each race. Season awards are also given to at least half the racers in each class at the end of the season. To qualify for a season award, racers must have at least six starts with a minimum of two slaloms and two giant slaloms.

MMSCSR teams practice at Little Switzerland on Wednesday nights and at Sunburst on Friday nights from 7-9 pm. Team Captain Al Lemke will provide racer rate lift ticket prices, race and practice updates via email.

All Vagabond skiers (intermediate or better) are invited to try running race gates with the team. We are always looking for more men and women to join us. Just show up and identify yourself. Skiing down a course at practice, whether starting from the top or halfway down, is a way to make local skiing exciting and fun. Try it, you'll get hooked! We help each other improve our skiing, have fun and race at a level that is appropriate. Visit www.mmcsr.com for more information:
