You Gotta Get Out and See this new store in Pewaukee

There's a new store in the area that is a one-of-a kind that I think will make for an interesting Roundtable. It's technically a bike store called VeloCity Cycling store in Pewaukee, but it has way more to offer and it will be super for bike riders, for exercising, for losing weight, for personal trainers, for yoga classes, for massages, a full gymnasium, locker rooms, showers, daily group bike rides indoors and outdoors, and also for special refreshments including regional craft beers, ciders, seltzers, soft drinks, and even pizza, too. Of course, it's also a place to look for a new bike, with many to choose from, and if you are a person who would like to bike but would also be interested in one of those motor-

ized helping bikes, it has those as well. What a store, what a place. It's certainly something to check out and see all of what goes on there and what is offered to anyone interested in fun and exercise, etc. And the owner of this new VeloCity Cycling store is Scott Horgatt, and he will come and tell us more about the store and where it is and all the other things it offers for year-round biking, exercise, and just plain fun. So come and listen from 5:30 to 6:30 at Serb Hall for this enjoyable Roundtable. Questions? Call Ron Sonntag, 414-788-4907 or ron@rspr.com. Dinner served at 5 pm, so eat while listening and then get ready soon to go out and see this new place for yourself.

In just a couple of short months, it will be time to elect the 2020-21 Vagabond Board of Directors. Overall, each member of the Board does their part to assure that the Club continues to run smoothly and efficiently. We share ideas, express our opinions, and support each other in our endeavors.

A special camaraderie results. Each Board member brings something special with them. It is their unique talents, creativity, and present/past work experiences. Being on the Board is all about being part of a wonderful group of people focusing on ways to enhance our Club while having a lot of FUN, too. We are seeking people for a couple of Board positions. If you'd like more information about the available positions, please reach out to me at 262-707-1450 or linda.horn1@gmail.com.

In anticipation of the approaching election, last month's President's Corner focused on the question, "What does the Vagabond board do?" Space in the *Life newsletter* is limited so the first article addressed the Activities Directors with a brief explanation of their very important role.

Descriptions of the functions performed by the remaining board members follows:

Finance and Bylaws Director – Supervises the annual elections and voting, coordinates ads in the *Life newsletter* and the Directory, recommends changes to Policies, Bylaws, and Articles of Incorporation.

Membership Director – Processes new membership applications and renewals, maintains the membership database and the welcome table at the general meetings.

Meetings Director – Arranges meeting places, times, and entertainment, and oversees meeting set-ups, supplies, and payments.

Public Relations Director – Arranges Club publications, publicity, promotion, and external advertising; Supervises Club ambassadors with welcoming new members and guests; Oversees the publishing and distributing of the annual Directory and monthly *Life Newsletter*.

The officers' responsibilities relate closely to what is customary for those positions.

Vice President – Succeeds to the office of President, if necessary; oversees Non-ski international trips; coordinates the annual Recognition Dinner.

Secretary – Records the minutes of the Board and Membership meeting; maintains a calendar of Club events and activities; updates the calendar on the Club website.

Treasurer – Keeps current accounting records and makes disbursements approved by the Board; presents a monthly financial report at the Board meetings; prepares and files any and all required Club tax returns or forms.

President – Oversees the overall operation of the Club; presides at meetings of the Board and membership; is an ex-officio member of all committees.

Interested in learning more about the Board or about how everything works together to make the Club run? Reach out to me. My contact information is above.
