MEETINGS

WEDNESDAY, JUNE 5 – GENERAL MEETING SERB HALL, 5101 W. Oklahoma Ave. JUNE IS TAILGATING OUT ALL OVER

June...the month summer finally starts, and Vagabonds will get a jump on it with this summer-style meeting, featuring a "cookout" tailgate meal, dancing to the music of the Nick Pumilia Band (the one that played at the Sock Hop last year for the 60th Anniversary), with some terrific rock & roll dance music. Wear tennis shoes, sandals, shorts, polo shirts, tank tops, skirts, slacks, caps, visors, and casual summer wear. Come relaxed and ready to party!

Great Tailgate Food: Cheeseburger, Baked Beans, Pasta Salad, Cookie, & 1 soda ticket, \$8; OR All-beef frank, Chips, \$4.

We also ask those with birthdays this month to bring a treat to share – DESSERT ITEMS ONLY: cookies, cake, brownies. Please give them to Gerry Botticchio at the kitchen door so all can enjoy after the meeting at 8:45.

Roundtable on Naturopathic Treatments For Health

Come and learn important and helpful information from Dr. Michele Nickels, a certified Naturopathic Doctor, ND, who will talk about the healing powers of the body to heal itself by identifying and removing obstacles that prevent it. No medications, no surgery, just removing underlying causes of illness. Dr. Nickels treats the whole person instead of merely trying to suppress symptoms that might lead to other problems. Come and ask about problems you'd like to talk about; hear what she would do to help your condition without desperate

measures you might face elsewhere. Dr. Nickels completed her residency at the Naturopathic Medical School in Tempe, Arizona where she specialized in naturopathic family practice. She now heads the Integrative Family Wellness Center located on Bluemound Rd. in Brookfield, across from Marty's Pizza. She will describe in greater detail how a naturopath deals with problems using holistic health principles and homeopathic supplements. Come hear about this exceptional method for possible help with health conditions. Dinner served at 5 pm, so eat while listening.

Staying Fit for Skiing During the Offseason

For any avid skier, the primary benefit of staying fit during the offseason comes in being able to spend full days on the mountain as early in the season as possible. Here's a suggestion of one way to stay in "ski" shape while waiting for the lifts to start operating again. Skiing is the culmination of many different elements, including weather, equipment and, of course, physical ability. Powerful legs and a strong abdomen are key to putting in a full day on the slopes and wrapping up the day with essentially the same amount of energy as you had when it started. Riding a bike during the offseason is an excellent way to keep these muscles toned, limber and strong. Fortunately, for Vagabond skiers, we offer a weekly bike ride to help you keep in shape

during the summer months. Check out the weekly bike schedule and be sure to join in!
