**6:45 pm Roundtable: Steering Clear of Scams • 7:15 pm General Meeting**

Internet fraud, always a threat to our financial security and identity, has only become more serious over the past year. A representative from the Better Business Bureau will join us virtually **May 5** to explain how we can avoid these threats.

In this informative session, BBB Serving Wisconsin President/CEO Jim Temmer will discuss the top 10 scams based on the BBB Risk Report

**W**ow! What a year it has been for all of us! Your club has shown resilience and the willingness to adapt to ever-changing restrictions and regulations. During these last 12 months, we have been OPEN with a variety of events and activities, including Zoom monthly meetings, hikes, walks, bike rides, tennis, golf, pickleball, fishing and ski trips.

And there is light at the end of the tunnel. Your Board of Directors has decided to resume in-person meetings beginning in July. Plus, we have a new meeting location: New Berlin Banquet Center, 16000 W. Cleveland Ave. (west of Moorland Blvd).

As I told members who signed into our April Zoom meeting, I believe you will be delighted with this choice based on its location, parking and meeting room configuration. There is a separate area for the meeting and event signups. Then there is another larger space where the bar is located, along with a large dance floor, plenty of room for a band or DJ plus tables for mingling with your Vagabond friends. In the same building is the New Berlin Ale House, an ideal place to enjoy a meal before the meeting.

Keep watching my emails, our website and the Life for further updates on the July meeting. Expect some changes and some surprises.

Don't forget to sign up now for summer activities: a variety of tennis events, three golf leagues and a baseball game, plus more. Details are in this issue of the *Life*. Remember, the easiest way to sign up is online with your credit card.

*Regards, Joyce*

## Biking

### Time for a safety check on your bike

Before the summer biking season gets into full swing, take your bike to a local bicycle shop for an inspection. Technicians will check the tires, brakes and overall condition.

### Summer Biking

Thank you to all volunteers who led a bike ride last year, and to those who have volunteered to lead a ride this season. There are still many open dates. To ensure a safe ride, all rides must have both a leader and a sweep. We plan to publish the names of each in the monthly *Life* article and on our website. The pace of our rides will be 10-12 mph. Riders who wish to ride faster are on their own. Leaders will ask riders to sign in each week.

To schedule your date, contact **Jim Stephens** at (262) 694-2115 or jstephens3@wi.rr.com.

### Weekend Bike Trip • Boulder Junction

**July 22-25 • \$155 per person, double occupancy.**

Join us for biking on a scenic, 52-mile paved trail that connects the communities of St Germain, Sayner, Boulder Junction, Manitowish Waters and Mercer.

We will be staying at Boulder Junction Motor Lodge. All rooms are to be booked by the event leader. Continental breakfast is included. Bring your own lawn chairs, drinks and snacks so we can gather outside for happy hour.

Contact **Denise Kremel** at (262) 524-1023 or **Dan Heidemann** at (414) 416-1678.

## Singles, anyone?

Gene O'Kelly is organizing a league for tennis players ready for a challenge: singles, with some adjustments.

To avoid lopsided, tiresome matches, "handicap scoring" will be used to promote more level competition, and a "short-set, no-ad" format will keep the games moving along. It will not be the physically taxing type of tennis we associate with singles.

And for comfort, we will play in the cool of the evening. Participants will be able to show up when they wish, with no week-to-week commitment.

Contact Gene at (414) 526-2719 if you are interested.

### Carol Gavigan

I have been a member since 2001. I served as Director of Sporting Activities from 2014 to 2018. I have also run several Midwestern ski trips and one Western ski trip. I've run several activities such as the Racine/Kenosha breakfasts, square dance events, ice golf, and bike rides. I decided it was time again to serve on the board. My hope is that others will also volunteer as we again are able to have more in-person events.

### Linda Horn

I am asking for your vote for another term on the Board of Directors. It has been my good fortune to be a Vagabond and to have served on the Board as Secretary, Tennis Director, President and Vice President during these last few years. Serving in these various roles has allowed me to meet so many wonderful Vagabonds and to learn more and more about this great club. It would be an honor to continue serving on the Board for another term.

### Lester Radtke

I have been a member of the board of directors since December 2017, serving as treasurer. I have enjoyed working with the directors to establish the system for accounting for credit card receipts. I have been active in biking, tennis and skiing with the club. I am a graduate of UW-Madison and a CPA. Prior to retiring in 2015, I owned a CPA practice and financial services practice for 25 years. I am respectfully asking for your vote for a third term.

### Thomas Wendt

I have been a Vagabond member since June 2019. In October 2020, I was asked to consider volunteering to fill the unexpired term for the position of Meetings Director. I am glad I said yes. In the last few months, I have been involved with live board and now Zoom board and general meetings. In addition to the Vagabonds, I volunteer with five other organizations, including the retirement club at Milwaukee Electric Tool, where I am on the board and assist with meetings and other functions. I would like to continue as the Meetings Director for the next two-year term, and I am seeking your vote.

### Candidate for President

### Joyce Szulc

This has been a difficult year for all of us. Truthfully, during my term as your president, I felt that any action I took required that my right arm be tied behind my back and that I had to jump only on my left leg. However, I am optimistic looking forward with multiple vaccine options available that will allow us, I believe, to offer a full lineup of events and travel. We have taken the first step in announcing the return of in-person meetings along with a new venue.

I reflected for quite some time about running for a second term and did not make this decision lightly. I want this year to be one of growth and positivity for the club. With your cooperation, we can do it.

I respectfully ask for your vote.
